

# PROFESSIONAL LANDSCAPE ARCHITECTURAL SERVICES TASK ORDER CONTRACTS

PARKS AND RECREATION DEPARTMENT  
GENERAL SERVICES DEPARTMENT

QUESTIONS AND ANSWERS  
May 23, 2008

NO.	General Information / Requirements	Remarks
1	Section 9 of the 255 raises questions... do we list only direct contracts with the government agencies, or any work performed: we have several projects on which we are the sub consultant not under direct contract with the agency, do we list those too? Also, the form asks for Federal Agencies, implying federal funding, whereas the RFQ asks for any government agency implying city, state, county et al... can you clarify?	1) We want both direct contracts and sub consultant work 2) Federal agencies such as National Parks, U.S. Fish & J Wildlife, etc. 254's deal with any other projects.
2	MBE/WBE&SBE requirements with task order contracts	Each contract will be evaluated for the amount of MBE/WBE &SBE required but when the all task order contracts are finished the 24% goal must be met by the prime consultant.
3	Would the city be opposed to printing front and back to save paper?	Yes, the city is opposed to front and back, printing should be front side only.

## CAPITAL IMPROVEMENT PROGRAM FUTURE PROJECT LIST

May 23, 2008
